## INFORMATIONAL BULLETIN IB-10015

TO: All Fire Department Personnel  
FROM: Scott Cullers, Fire Chief  
RE: Truck 2 Maintenance  
Date: December 6, 2010

Beginning today Truck 2 will be out of service for maintenance for approximately two weeks. During this time SERV 2 will be utilized to respond to **EMS only incidents** in critical areas of the city where it is impractical to respond in the Ladder truck (see list below).

SERV 2 is EMS licensed to carry all the necessary equipment as required by VAOEMS. Dispatching of station 2 will continue as normal and personnel responding will place the Ladder truck out of service and SERV 2 responding when dispatched to these areas. It is very important that this unit is returned to the station immediately after clearing the incident to place the Ladder truck back in service.

### Areas to respond in SERV 2 for **EMS only**
