RE: EZIO Lidocaine
DATE: July 1, 2011

INFORMATIONAL BULLETIN IB-11023

We have obtained lidocaine for the EZIO kits that will replace what has expired. The replacement lidocaine is a different concentration than what we originally had. The new lidocaine is packaged as follows:

2% in 20mL for a concentration of 20mg/mL

This is double the concentration of the previous lidocaine.

If you have any questions, please contact me.
