## INFORMATIONAL BULLETIN IB-10004

TO: All Fire and Rescue Personnel  
FROM: H. Donald Whitacre, Lieutenant  
RE: Influenza Vaccine  
DATE: September 22, 2010

It is time for career and volunteer personnel choosing to receive the flu vaccine to be vaccinated. The process will be handled like last year. We have different methods for those that have health insurance coverage and for those with no insurance coverage.

**Insured:** Most health insurance carriers cover "Preventive Care" such as the flu vaccine at 100% coverage under their Wellness Benefit. Therefore, personnel with health care insurance can select a provider of their choice or utilize the one listed below to administer the vaccine and have them **file a claim to your insurance as "Preventive Care."** If your health care insurance does not cover all or only partially covers the cost of the flu vaccine, have the provider submit an invoice to the department for the co-pay.

**Non-Insured:** No problem! You can still receive the flu vaccine at no charge to you. However, you **must** utilize the location listed below.

**Location** – Rotz Pharmacy, 1338 Amherst Street

**Dates** – September 22, 2010 thru October 29, 2010

**Times Available** – Monday – Friday 10:00 am -12:00 pm and 2:00pm-5:00 pm

**Item Needed** – Department Photo Identification

If you have any questions, please contact me.
