RE: Station Transfers
Date: December 13, 2010

With the current events surrounding our department, various shift transfers are being implemented. As explained in the "fireside chats" we will make transfers for three reasons - What is best for the DEPARTMENT, what is best for the STATION and what is best for the INDIVIDUAL. All of these reasons were taken into account when the Captains and Lieutenants made these recommendations to me.

As of the January 1, 2011 work schedule, the following personnel will be reassigned to another shift and/or station. Please refer to the attached station assignment chart to view the entire department.
