RE: New Hire Announcement

DATE: January 3, 2010

It is the Department's pleasure to announce the start dates of two new firefighters. As of January 10, 2011, FF Michael Bender and FF Matthew Atkins will begin their employment at the administration office. Both individuals hold Virginia certifications and are EMT-E certified.

We are confident that these two individuals will fit into our system and become a valued asset. Please welcome FF Bender and FF Atkins when they make their rounds to the stations.
