## INFORMATIONAL BULLETIN IB-11005

TO: All Fire Department Personnel  
FROM: Eddie McClellan, EMS Captain  
RE: Photos  
Date: January 25, 2011

It has been more than three months since most of us had our pictures taken for the yearbook. Christmas has come and gone and I believe many of us are still waiting on the pictures we purchased. At this point I do not have an answer for you as to when your pictures will be delivered, but I am going to see what I can find out.

I would like each of you to let me know if you have or have not received the items you purchased. Were you satisfied with the items received? Please send this information to me no later than close of business on Tuesday, February 1, 2011.

When I get answers from them, I will pass them on.

Also, we are making progress sorting through photos to be included in the yearbook. We are still in need of any Department related photos that you may have. They can be of training, incidents, fundraising, banquets, and public education. Please send any photos you wish to be considered for inclusion into the yearbook to me either in electronic format (preferred) or hard copy.

In addition, we have been considering the inclusion of a family section in the yearbook to recognize those that support us in our efforts to provide service to the community. We would like your input on this.

Photos and your thoughts on the family section should be sent to Captain McClellan at [emcclellan@ci.winchester.va.us](mailto:emcclellan@ci.winchester.va.us) by January 31, 2011.
