INFORMATIONAL BULLETIN IB-11010

TO: All Fire Department Personnel
FROM: Scott Cullers, Fire Chief
RE: New Department Letterhead and Logo
Date: February 10, 2011

The City of Winchester has replaced the current logo with a new one effective immediately. We do not need to replace every item in our department using this logo until items need to be replaced such as printed letterhead and business cards. The following logo will be the department replacement and is consistent with all other departments except for the department name.

In addition we will continue to use our patch and the City seal as seen below. Our internal website has been updated to contain all the correct logos and letterhead for everyone's use.

"To develop and deploy a coordinated service delivery system through which the community is provided public safety services in a professional and cost effective manner."
