TO: All Fire Department Personnel

FROM: Rodney Hovermale, Sergeant

RE: SCBA Fit Testing

DATE: February 25, 2011

It is that time of year again where we need to fit test ALL fire department personnel that utilize SCBA apparatus. The schedule below will be an attempt to fit test everyone in a timely manner. Additional dates have been scheduled around Volunteer meeting/training nights to capture as many members as possible. Personnel that are not able to attend one of the scheduled dates can visit the air shop team members at Rouss to complete this task.
