INFORMATIONAL BULLETIN IB-11029

Recently the department had several personnel upgrade their EMS certification. Through their hard work and support from their peers, they will now be helping the department provide a higher level of service to the community. The personnel listed below have received "Authorization to Practice" at their new levels by the department's Operational Medical Director.

Eric Duckwall, EMT-Intermediate
Dustin Amtower, EMT-Enhanced
Brandon Krippner, EMT-Enhanced
Laurie Varnau, EMT-Enhanced

We expect additional personnel to receive their "Authorization to Practice" at their new certification level in the near future.

I would like to thank everyone for supporting our folks while they were taking these classes. Also, I would like to congratulate each of these individuals on their accomplishment.
