INFORMATIONAL BULLETIN IB-11037

The department is pleased to announce that the personnel listed below have completed their EMS precepting requirements and have received "Authorization to Practice" at their new levels by the department's Operational Medical Director.

Stephanie Showalter, EMT-Intermediate
Mike Bender, EMT-Enhanced

Through their hard work and support from their peers, they will now be helping the department provide a higher level of service to the community.

I would like to thank everyone for supporting our personnel during their class and with their precepting.

"To develop and deploy a coordinated service delivery system through which the community is provided public safety services in a professional and cost effective manner."
