## **INFORMATIONAL BULLETIN IB-12012**

TO: All Fire and Rescue Personnel  
FROM: Donald Whitacre, Lieutenant  
RE: Apple Blossom Festival Event Coverage  
DATE: April 26, 2012

The Department will be providing stand-by EMS coverage for the following Shenandoah Apple Festival events. Staffing assignments are subject to change as determined by each events specific needs and/or changes to personnel support.

Standby Events will require an EMS standby report in the Department's incident reporting software. If emergency incidents are encountered during these events then incident numbers will need to be obtained from ECC. Please use "381, Rescue or EMS Standby" for the incident type and "92, Standby" for actions taken when generating your standby report.

This document should be used in conjunction with "GO-12001 Apple Blossom Festival Operations".
