The department is pleased to announce that Lieutenant Gerald Bohus has completed the requirements to become a Designated Infection Control Officer (DICO). With this accomplishment Lt. Bohus has been added to the Exposure Control Plan as a DICO for our Department.

Lt. Bohus will assume the responsibility as the primary DICO for the department upon my retirement next year. From now until my retirement I will be working with Lt. Bohus to make the transmission as smooth as possible.

Please congratulate Lt. Bohus on his accomplishment and dedication to the Department in taking on this important task.
