RE: Apple Blossom Festival **Blackout Dates** and Overtime Opportunity
DATE: December 3, 2012

INFORMATIONAL BULLETIN IB-12052

With the upcoming 2013 Apple Blossom Festival approaching the department has begun the planning process to provide public safety services for various events. **There will be no leave and Kelly days will be rescinded from Thursday, May 2 2013 through Sunday, May 6, 2013.** It is our goal to staff all six EMS transport units with a Medic and to place as many personnel on the streets as fiscally possible for the Firefighter's parade on Friday, May 3, 2013 and the Grand Feature parade, May 4, 2013.

Our goal creates an overtime opportunity for each of these days as outlined below. We are asking career personnel to voluntarily sign-up for the overtime. **If the desired number of personnel is not met through the voluntary process, we will assign personnel to work to meet our established goal.**

Friday, May 3, 2013 (1100 to 2300 hours)

- (2) ALS Medic providers
- (3) Any EMS level

Saturday, May 4, 2013 (0800 to 2000 hours)

- (3) ALS Medic providers
- (2) Any EMS level

Personnel interested in voluntarily signing up for overtime should do so by the close of business on December 31, 2012. Please respond to me via email emcclellan@ci.winchester.va.us if you wish to sign-up.

Signing up does not constitute a guarantee that you will be assigned to one of the overtime spots that are available.
