## **INFORMATIONAL BULLETIN IB-13052**

The IAFF Breast Cancer Awareness Committee is finishing up our preparations for Breast Cancer Awareness in October and hoping for your continued support for our cause. The Winchester Professional Firefighters, Local 3401 will provide a PINK duty shirt for personnel who do not currently have a shirt and who are willing to participate in this cause.

To participate in this event we ask everyone this going to wear a pink shirt to donate \$5.00 for the month or \$1.00 each time the shirt is worn on Mondays, Wednesdays and Fridays throughout the month of October. The same department guidelines as last year will apply when wearing the shirts as outlined in "IB-13053 Breast Cancer Awareness Event".

We are asking that personnel, who need a shirt, contact our committee by Wednesday, September 18<sup>th</sup> so the shirts can be ordered in time for the event beginning date. Thanks for all your help and participation to make this fundraiser such a success.
