TO: All Fire and Rescue Personnel
FROM: Allen Baldwin, Fire Chief
RE: Department Photographers
DATE: February 28, 2014

INFORMATIONAL BULLETIN IB-14011

The department has obtained two individuals from the volunteer ranks to capture our daily activities through photography. This effort to document our department will provide a great historical account of the Winchester Fire and Rescue in the future.

Emily Jackson from South End Fire Company and Larry Sullivan from Friendship Fire Company have graciously volunteered their services to attend the various events for the WFRD to include emergency incidents, banquets, Public Education, etc.

These individuals will be properly identified on the incident scene and other events with traffic vests, ID's and accountability tags.

Please welcome these folks and assist their needs as necessary.
