DATE: May 28, 2015

INFORMATIONAL BULLETIN IB-15020

For the address of 333 W. Cork Street, Valley Health Systems no longer owns or operates this facility. During the Memorial Day holiday it was realized that the main entrance door was locked.

To make access to this facility after hours, there is a keypad next to the main entrance doors that requires a code. This code has been placed in CAD and can be obtained from the ECC when needed.
