RE: Valley Ave. Railroad Crossing Closure  
DATE: October 27, 2015

## INFORMATIONAL BULLETIN IB-15043

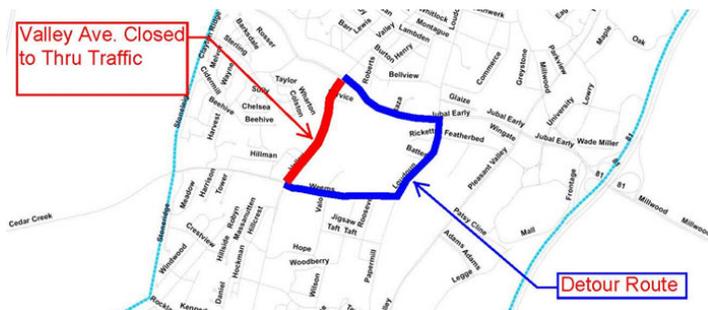

### *Railroad crossing replacement to temporarily close Valley Avenue*

The Winchester & Western Railroad will be replacing their railroad crossing surface on Valley Avenue between Jubal Early and Cedar Creek Grade beginning on **Friday, October 30**. In order to complete the project safely and as quickly as possible, Valley Avenue between Jubal Early and Cedar Creek Grade will be closed to through traffic during the project.

#### Schedule:

- Work will begin at 6:00 am on October 30 and continue through the weekend
- Expected completion - evening of November 2
- Valley Avenue will be reopened to thru traffic by 6:00 am on Tuesday, November 3

A detour route will be set up that will divert thru traffic on Valley Avenue onto Jubal Early, to South Loudoun, to Weems Lane and back to Valley Avenue. A schematic showing the detour route is provided below. Local traffic will still be allowed on Valley Avenue between Jubal Early and Cedar Creek Grade throughout the project, but no traffic will be able to cross the railroad tracks during this period.

Thank you for your cooperation and patience while these much needed improvements are completed by the Winchester and Western Railroad.

*"To develop and deploy a coordinated service delivery system through which the community is provided public safety services in a professional and cost effective manner."*
