FROM: Allen Baldwin, Fire Chief
RE: Medic Unit Usage
DATE: November 14, 2016

INFORMATIONAL BULLETIN IB-16038

With the change of the seasons and cooler temperatures upon us GO 16003 is being rescinded. In order to reduce engine hours and fuel usage it is acceptable and expected that personnel will shut the units off while at the hospital and anytime they will be idling for longer than 5 minute when not on an emergency incident.
